

**RETHINK
IRELAND**

WEXFORD

IMPACT FUND

2024

Let's embrace the strength that comes from our rich history and vibrant, close-knit community to create a model county of tomorrow

THE WEXFORD IMPACT FUND 2024

**With its strong
community spirit,
natural resources
and rich cultural
heritage, Wexford
has a wealth of
untapped potential**

The Wexford Impact Fund 2024 is being introduced to facilitate the sustainable growth of Wexford communities through the provision of cash grants and non-financial support. We are delighted to have Greentech HQ as the first donor!

How will the Wexford Impact Fund make a difference?

- Empower local communities to actively participate in decision-making and project implementation
- Support creative and pioneering approaches to problem solving.
- Build strong partnerships between social enterprise, local business, government bodies and community organisations
- Strengthen the skills, knowledge and resources of individuals and organisations to increase resilience and self-sufficiency

Join us in making a difference!

Support the Wexford Impact Fund, a philanthropic fund by Wexford people for Wexford people, and be part of something truly extraordinary. Together, we can create a brighter, greener and more inclusive future for Wexford's towns, villages and communities.

Testimonials

“

With the funding, Refill Ireland were able to test a new model for growing drinking water services in Ireland and build a strategy document around this new model, to direct the organisation for the next 3 years.

Jennifer Taylor, Project Coordinator,
Refill Ireland

“

Food growing has a unique way of connecting people with the planet, and will be a powerful tool to mobilise positive environmental action in the years ahead. The success we've had in recent years would not have been possible without Rethink Ireland, and the impact will be felt even more in the years to come.

Mick Kelly, Founder, GIY

Supporting the Wexford Impact Fund through Rethink Ireland will create positive change, addressing the diverse needs of Wexford's people and natural environment. County Wexford Chamber is proud to support the Wexford Impact Fund, and I encourage everyone to get behind it - either through direct contributions or by sharing this within your networks.

Paula Roche, CEO of County Wexford Chamber

Our Ask

Will you join us on the Wexford Impact Fund to make a sustainable difference to Wexford communities? - let's work together to create a long-lasting positive impact in Wexford

If you have any further questions, please do not hesitate to get in contact.
